Corporate Member

The Georgia Association of Educational Leaders (GAEL) is a nonprofit organization that brings together educational leadership groups in Georgia, including elementary, middle and high school principals; curriculum and instructional specialists; special education directors; and superintendents.

Corporate members play a significant role in the activities of the Georgia Association of Educational Leaders. Corporate support allows GAEL to provide quality and variety of services to members at an affordable cost. In return, corporate members gain access to GAEL members in many ways in order to market products and services.

Benefits:

- Newsletter and other informational mailings including the informative Friday Flyer
- Web page link on GAEL – Corporate Members
- Discount on fees for exhibiting at GAEL Summer and Winter Conference
- Advanced notification when registration is available
