

GAEL Payment Policy

GAEL accepts major credit cards – MasterCard, VISA and American Express – as well as checks and money orders for payment of invoices. Payment is expected within thirty days of registration or membership purchase.

When registering for an event or purchasing a membership there is a choice of payment options at the end of the order process. Please enter your credit card information or check the “Bill me later” option and you will receive an invoice. You may enter a purchase order number for your convenience. All invoices are emailed to the registrant.

We do not use or accept purchase orders or electronic funds transfer for payment.
