Students are successful !

GEORGIA VIRTUAL By the Numbers

Since 2005, the Georgia Virtual School, accredited by AdvancEd, has consistently provided **quality educational opportunities** to Georgia students. With a consistently **solid AP pass rate**, along with **strong Georgia Milestones results**, the program has supported the **strategic goals** of the Department of Education. As a **supplemental** online program, GaVS is meeting the needs of students, parents, and school districts on a daily basis.

EARN Graduation CREDIT

The Georgia Virtual School program offers five Computer Science courses, all of which align directly to Georgia and/or College Board standards. These courses can be taken independently or in conjunction with one another to satisfy the requirements of both the Computer Science and Programming pathways within the CTAE Information Technology Career Cluster.
